

NOTICE TO BIDDERS

Notice is hereby given that sealed bids will be received by QUINCY COMMUNITY SERVICES DISTRICT, in the office of the District Manager, 900 SPANISH CREEK ROAD, Quincy, California, 95971, up to 4:00 p.m., Tuesday, September 7th, for the VALLEY VIEW WATER LINE REPLACEMENT PROJECT in Quincy, Plumas County, State of California, in accordance with Plans and Specifications on file for said Work in the office of the Manager of QUINCY COMMUNITY SERVICES DISTRICT.

The Work in general shall consist of replacing approximately 1244 lf of 10" water main, one fire hydrant, two valve clusters, and reconnecting one water service. Construction cost is estimated to be between \$90,000 and \$100,000.

Bidders may arrange to inspect the project site by contacting the Webster Engineering at (530) 283-1111.

Said bids will be opened by the Manager of the QUINCY COMMUNITY SERVICES DISTRICT at the time and place above stated and a report of the names of all bidders and the amount of each bid or proposal will be made by said Manager to the Board of Directors at the next regular or special meeting following the date of opening of said bids.

The general prevailing rate of per diem wages, holidays, and overtime work for each craft, classification, or type of workman needed to execute the Contract are established by the State of California, Department of Industrial Relations, and are on file at the Quincy Community Services District office at 900 Spanish Creek Road, Quincy, CA, 95971. It shall be mandatory for the Contractor to whom the Contract is awarded and any Subcontractor to pay not less than the said specified prevailing rates of wages to all workmen employed by him in the execution of the Contract. Contractors shall pay rates not less often than once per week.

The Contractor shall possess a Class A license in accordance with section 3300 of the California Public Contract Code.

Each bid must be made in accordance with the Specifications and Proposal requirements, and no bid will be received unless it is made on the forms provided with the Contract Documents. Each bid must be accompanied by cash, a cashier's or certified check or a Bidder's Bond on the form provided by the District, in the sum of not less than ten percent (10%) of the total aggregate of the bid, and said checks or bond shall be made payable to the order of the QUINCY COMMUNITY SERVICES

DISTRICT as liquidated damages in case the successful bidder fails to file satisfactory bonds as required by the Contract Documents or fails or refuses to enter into a Contract within the specified time.

The Contractor may elect to receive 100 percent of payments due under the Contract Documents from time to time, without retention of any portion of the payment by the Owner, by depositing securities of equivalent value with the Owner in accordance with the provisions of Section 22300 of the Public Contract Code. Such securities, if deposited by the Contractor, shall be valued by the Owner, whose decision on valuation of the securities shall be final. Securities eligible for investment under this provision shall be limited to those listed in Section 16430 of the Government Code, bank or savings and loan certificates of deposit, interest bearing demand deposit accounts, standby letters of credit, or any other security mutually agreed to by the Contractor and the Owner.

All bids must be addressed to the Manager of the QUINCY COMMUNITY SERVICES DISTRICT and shall bear the title or name of the Work to be constructed.

Said District reserves the right to reject any and/or all bids and to make that award which is in the best interest of the owner.

Time limit for the completion of the Work is 30 calendar days from the date indicated in the Notice to Proceed.

Plans and Specifications, excluding General Provisions and Standard Technical Specifications, may be secured from Webster Engineering, 75 Court Street, Quincy, California, 95971 (530-283-1111) upon payment of the sum of \$40.00 (+ \$10.00 for shipping and handling, if required), which is not refundable.

Copies of referenced Standard Specifications for Public Works Construction, 2009 Edition, commonly called the "Green Book", containing the General Provisions and Standard Technical Specifications, may be obtained from Building News, Inc., 1612 South Clementine Street, Anaheim, Ca 92802, (714)517-0970.

Plans and specifications may be viewed at:

Webster Engineering, 75 Court Street, Quincy, CA 95971
